

Johnny Cash - The One On The Left Is On The Right

Tom: C

There ^G once was a musical ^{G7} troupe a ^C pickin' singin' folk ^G group
 they ^C sang the ^G mountain ^F ballads and the ^D folk ^{D7} songs of our ^G land
 They were ^G long on musical ^{G7} ability folks ^C thought they would go ^G go
 far
 but ^C political ^G incompatibility ^D led to their ^G downfall

well ^C the one on the ^G right was on the left
 and the ^D one in the ^G middle was on the right
 and the ^C one on the ^G left was in the middle
 and the ^D guy in the ^{D7} rear was a ^G Methodist

This musical ^C agregation ^G toured the entire nation
 singing the traditional ballads and the folk songs of our land
 they performed with great virtuosity and soon they were the
 rage
 but political animosity prevailed upon the stage

well the one on the right was on the left
 and the one in the middle was on the right
 and the one on the left was in the middle
 and the guy in the rear burned his drivers license

Well the curtain had ascended a hush fell on the crowd
 as thousands there were gathered to hear the folk songs of our
 land
 but they took their politics seriously and that night at the
 concert hall
 as the audience watched deliriously they had a free-for-all

well the one on the right was on the bottom
 and the one in the middle was on the top
 and the one on the left got a broken arm
 and the guy in the rear, said, "oh dear"

Now this should be a lesson if you plan to start a folk group
 dont go mixin politics with the folk songs of our land
 just work on harmony and diction play your banjo well
 and if you have political convictions keep fem to yourself

now the one on the left works in a bank
 and the one in the middle drives a truck
 the one on the rightFs an all-night deejay
 and the guy in the rear got drafted
