

# Johnny Cash - These Are My People

Tom: Ab

(com acordes na forma de G )  
 Capotraste na 1ª casa  
 Capo I

These are my people, they were born on and lived by the land  
 These are my people, and their cities were raised by hard  
 working hands  
 And their faces do tell, that they're holding on well  
 To this their land, yes these are my people

These are my people, this is the land where my forefathers lie

These are my people, these are the ones who will reach for  
 the stars

These are my people, in brotherhood we're heirs of a creed to  
 live by

These are my people, by the light of the earth you can tell  
 they are ours

A creed that proclaims that by loved one's blood stains

A new step to take and a new day will break  
 For this my land, yes these are my people

This is my land, and these are my people

These are my people
