

# Johnny Cash - Time Changes Every-thing

Tom: C

<sup>C</sup>  
Time has passed I've forgotten

Mother nature does wonderful things

I thought nothing could stop me from loving you

But time changes every-thing

<sup>G7</sup>  
You can change the name of an old song

Rearrange it and make it swing

I thought nothing could stop me from loving you

But time changes every-thing

{ fiddle - steel }

Goodbye goodluck may God bless you

I don't say I won't love again

I guess that it's true for me and for you

That time changes everything
