

Johnny Cash - Two Timin' Woman

Tom: C

I woke up this morning in a terrible mood
 Now you talk about a woman treatin' a good man rude
 She had me talkin' to myself, gazin' at that mean ol' wall
 She had another daddy waitin' down at the end of the hall

 She changes with the weather like the leaves I recall
 She blossoms in the spring but then she's gone in the fall
 A two timin' woman with a heart of solid stone
 She tells me that she loves me but her heart's a little undergrown

 She said she'd never leave me but she got the urge to roam
 She drifts around the country like a steamboat on a foam

She never changes course, she just goes along that same ol' way
 Cause if I ever find her gonna chain her to the floor
 And tell her now sit there woman you ain't leavin' no more
 I'm gonna tame you mama till you're eatin' from my hand

 It's not that I don't love you honey it's just to make you understand

 I woke up this morning in a terrible mood
 You talk about a woman treatin' a good man rude
 She had me talkin' to myself gazin' at that mean ol' wall
 She had another daddy waitin' down at the end of the hall
