 Well I havent got a nickel

 And he slammed that boxcar door

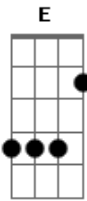

VERSE TWO:

Well he put me off in Texas
 In a state I dearly love
 The wide open spaces all around me
 Ther moon and stars above
 Nobody seems to want me
 Or to lend me a helping hand
 I'm on my way from Frisco
 Headin back to Dixieland
 My pocket book is empty
 And my heart is full of pain
 Im a thousand miles away from home
 Waitin for a train
