

# Johnny Cash - What do I Care

Tom: F

(com acordes na forma de E )

Capotraste na 1ª casa

Tuning: Standard, Capo 1st Fret (Chords are relative to capo)

Intro: (strum slowly)

When I'm all through if I haven't been what they think I should be

If the total isn't high enough when they figure me

When I grow old if there's no gray from worry in my hair (syncopated strumming)

What do I care what do I care

What do I care just as long as you were mine a little while

When the road was long and weary you gave me a few good mile

What do I care if I miss a goal because I make a slip

I'll still be satisfied because I tasted your sweet lips

What do I care if I never have much money

And sometimes my table looks a little bare  
 Anything that I may miss is made up for each time we kiss  
 You love me and I love you so what do I care

Guitar Solo (not relative to capo):

What do I care just as long as you were mine a little while

When the road was long and weary you gave me a few good mile

What do I care if I miss a goal because I make a slip

I'll still be satisfied because I tasted your sweet lips

What do I care if I never have much money

And sometimes my table looks a little bare

Anything that I may miss is made up for each time we kiss

You love me and I love you so what do I care
