

Johnny Cash - Wide Open Road

Tom: C

Well, you said you had enough you said that you where leavin`
I said shovel off honey baby i ain` t greavin`

Pack your bags and pull out this evening

Theres a wide open road

On saturday mornin you where nowhere about it

So i searched the town but you had done pulled out

I looked north, east, west and then leadin` south I saw a wide open road

Theres a wide open road

Its leadin south from my abode

If you stick around and turn your dampers down

Theres a wide open road

Well, the reason I was looking for you all over town
Was to tell you that your kitty cat is still around

And you left your wedding ring when you went down

That wide open road

If you're gonna stay away, then honey let me know

How to cook hot biscuits, how to roll the dough

Everything's gone crazy since I told you to go

Down the wide open road

There's a wide open road

And honey, I want you to know

You can look down south or you can turn back home

And there's a wide open road

Acordes
