

Johnny Cash - Worried Man

Tom: A

A D E
Worried man, worried man

A
I'm a very worried man
D A
Hungry babies don't understand

E A
Papa is a worried man
E A
Papa is a worried man

The place I used to draw my pay
Slam the door on me today
Told me just to stay away
And don't come back again

I went back home to brwak the news
My woman saw that I had the blues

She the babies need new shoes
now I'm a worried man

Chorus

There is no way that I can see
That I can feed my family
I don't owe no moneytree
I don't owe no land
But I said mama don't you cry
I'll get a job before the day goes by
I don't no where and that is why
That I'm a worried man

Worried man, worried man
I'm a very worried man
Hungry babies don't understand
Papa is a worried man
Papa is a worried man
Papa is a worried man
