Hey i love that hair

Long and black

Hangin` down in the middel of your back
            A
Don`t you cut it off whatever you do
          E
Cause i need it to run my fingers trough

                  A
Cause you`re my baby, aha
             E
You`re my sugar, mhm
                    B7                    E
Yea, i don`t mean maby little woully bugger

Hey, i got a guitar got six string
And a guitar pick that`ll make em` ring
Every string`s got a note or two that im gonna use to serenate
you
```

```
Cause you`re my baby, aha
You`re my sugar, mhm
Oh, you drive me crazy, little woully bugger

Well i got a dollar that i saved
Saved it up for a rainy day
Everybodys for bills its due
But if they don`t catch me i`ll spend it on you

Cause you`re my baby, aha
You`re my sugar, mhm
Yea, i don`t mean maby little woully bugger

Well i had me a baby thought she was mine
but she run around on me all the time
Now she`s gone and im glad were through
Cause im from goggel eyed all over you

Cause you`re my baby, aha
You`re my sugar, mhm
Oh, you drive me crazy, dont mean maby
Little woully bugger

Listen to the song the learn to play it the right way.
