

# Johnny Cash - You're My Baby

Tom: E

<sup>E</sup>  
Hey i love that hair

Long and black

Hagin` down in the middel of your back

Don`t you cut it off whatever you do

<sup>E</sup>  
Cause i need it to run my fingers trough

<sup>A</sup>  
Cause you`re my baby, aha

<sup>E</sup>  
You`re my sugar, mhm

<sup>B7</sup> <sup>E</sup>  
Yea, i don`t mean maby little wouly bugger

Hey, i got a guitar got six string  
And a guitar pick that`ll make em` ring  
Every string`s got a note or two that im gonna use to serenate  
you

Cause you`re my baby, aha  
You`re my sugar, mhm  
Oh, you drive me crazy, little wouly bugger

Well i got a dollar that i saved  
Saved it up for a rainy day  
Everybodys for bills its due  
But if they don`t catch me i`ll spend it on you

Cause you`re my baby, aha  
You`re my sugar, mhm  
Yea, i don`t mean maby little wouly bugger

Well i had me a baby thought she was mine  
but she run around on me all the time  
Now she`s gone and im glad were through  
Cause im from goggel eyed all over you

Cause you`re my baby, aha  
You`re my sugar, mhm  
Oh, you drive me crazy, dont mean maby  
Little wouly bugger

Listen to the song the learn to play it the right way.

## Acordes
