

Johnny Clarke - Gonna Love You More

Tom: A

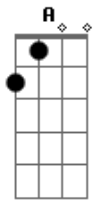

(Repete a primeira estrofe 2x)

Gonna love you more
 More than anything you heard about
 I'm gonna love you more
 More than any day and any night
 With us together, together
 I'm gonna love you more

I wanna love you more
 I wanna kiss you more
 I wanna feel the love now surround me
 I'm gonna love you more
 Yes, I'm gonna love you more
 That's why I sing
