

# Johnny de Las - Dicotomia

Tom: **A**  
Intro: **Gbm**

**Gbm**                    **Gbm6**                    **Gbm**                    **Gbm6**  
Da sua lógica binária eu não quero nada  
**Gbm**                    **Gbm6**                    **Gbm**                    **Gbm6**  
Dicotomia sem sentido veste essa muralha

**Bm7**  
E o meu povo dividido  
Sangra, reza, faz pedido

Pecado grande a ignorância vem se posicionar **Db7**

**Gbm**                    **Gbm6**                    **Gbm**                    **Gbm6**  
Aponta o dedo pra julgar o que não acha certo  
**Gbm**                    **Gbm6**                    **Gbm**                    **Gbm6**

Pinta de cinza aquarelas contra o que é moderno  
**Bm7**

E o meu povo dividido  
Atira, mata, é inimigo **Db7**

Longe fica a esperança de ver tudo mudar

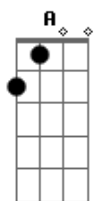

**D7**                    **Db7**  
No puedo más callar mi corazón

**D7**                    **Db7**  
Quiero despertar! No más desilución

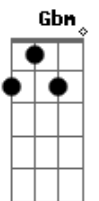

**Bm7**                    **Gbm**  
Y ver más allá que dualidad

**Bm7**                    **Db7**  
Y por fin encontrar amor y felicidad
