```
Intro: C G C F
C G Am F
All that I have is a river
Am E
The river is always my home
C F
Lord, take me away

For I just cannot stay
Or I'll sink in my skin and my bones
The water sustains me without even trying \begin{array}{cccc} & & & & & \\ & & & & \\ & & & & \\ & & & & \\ & & & & \\ & & & & \\ & & & & \\ \end{array}
The water can't drown me, I'm done
With my dyyyyying
Please help me build a small boat Am E
One that'll ride on the flow
Where the river runs deep
And the larger fish creep C
I'm glad of what keeps me afloat
 C G
The water sustains me without even trying {\color{black} C}
The water can't drown me, I'm done
With my dyyyyying
Now deeper the water I sail
