

Johnny Flynn - Tickle Me Pink

Tom: C

apotraste na 5ª casa [Intro] C Am C Am

C
Tickle me pink
Am
I'm rosy as a flushed red apple skin
C Am
Except I've never been as sweet
C
I've rolled around the orchard
Am
And found myself too awkward
C Am
And tickle me green I'm too naive

C
Pray for the people inside your head
E
For they won't be there when you're dead
Am
Muffled out and pushed back down
F
Pushed back through the leafy ground

(C Am)

C
Time is too early
Am
My hair isn't curly
C Am
I wish I was home and tucked away
C
When nothing goes right
Am
And the future's dark as night
C Am
What you need is a sunny sunny day

C
Pray for the people inside your head
E
For they won't be there when you're dead
Am
Muffled out and pushed back down
F

Pushed back through the leafy ground

(C Am)

C Am
Don't know where I can find myself a brand new pair of ears
C Am
Don't know where I can buy a heart
C
The one I've got is shoddy
Am
I need a brand new body
C Am
And then I can have a brand new start

C
Pray for the people inside your head
E
For they won't be there when you're dead
Am
Muffled out and pushed back down
F
Pushed back through the leafy ground

(C Am)

C
Monsters in the valley
Am
And shootings in the alley
C Am
And people fall flat at every turn
C
There is no straight and narrow
Am
Offload your wheelbarrow
C Am
And pick up your sticks and twigs to burn

C
Pray for the people inside your head
E
For they won't be there when you're dead
Am
Muffled out and pushed back down
F
Pushed back through the leafy ground
