[Primeira Parte]

Em  
You can run but you can't hide  
C  
You can cry but it will not slide  
Em  
When the rain comes down  
Am B  
It's gonna wash away all your lies  
Em  
And the sun's gonna shine at night  
C  
You'll be awakened by an angel of light  
Em Am B7 Em  
And the veil of sorrow will be lifted from your eyes

[Segunda Parte]

Em  
Turn around, tell me what do you see  
C  
Can that fool standing there be me  
Em  
If you look real close  
Am B  
You can tell he's got his heart in his hand  
Em  
I guess he tried to fly too high  
C  
Took off in a storm through an uncharted sky  
Em Am  
Shot down by a paper plane  
B Em  
And had nowhere to land

[Refrão]

Am G  
Hey where are you going now?  
Am Bm Em

Your story's got no reason or rhyme  
Am G  
Tell me who can you turn to now  
Gb F Em  
That you're livin' on borrowed time

[Terceira Parte]

Em  
So called friends think I've lost my mind  
C  
Can't believe what I've left behind  
Em A  
Now that I've changed my number  
B  
And I'm not runnin' scared  
Em  
Looks like the ones who have lost it all  
C  
Are the ones who are standing tall  
Em Am B Em  
Me, I'm turning to the one who always cared

[Refrão]

Am G
