F C
 Girl, I can understand how it might be
 Bb Am
 Kinda hard to love a guy like me
 Bb
 I don't blame you much for wanting to be free
 F
 I just wanted you to know
 C Bb
 I've loved you better than your own kin did
 Am
 From the very start so it's my own fault
 Bb
 What happens to my heart
 F
 You see I've always known you'd go
 Am Bb
 So, you just do what you gotta do
 F
 My wild sweet love
 Dm Am
 Though it may mean that I'll never kiss
 C Bb F
 Those sweet lips again
 Dm
 Pay that no mind
 C Bb
 Find that dappled dream of yours
 Am C F Bb
 And come on back and see me when you can
 F
 Now I know it'll make you sad

C
 make you feel so bad
 Bb Am
 They say you don't treat me like you should
 Bb
 They got ways to make you feel no good
 F
 I guess they got no way to know
 C
 I've had my eyes wide open from the start
 Bb
 And girl you never lied to me
 Am Bb
 The part of you they'll never see
 F
 Is the part you've shown to me
 Am Bb
 Now you just do what you gotta do
 F
 My wild sweet love
 Dm Am
 Though it may mean that I'll never kiss
 C Bb F
 Those sweet lips again
 Dm
 Pay that no mind
 C Bb
 Chase that dappled dream of yours
 Am C F Bb
 and come on back and see me when you can
 Am Bb
 Yeah you just do what you gotta do
 C D
 My wild sweet love
