

Johnny Rivers - Mountain Of Love

Tom: E

Key of E

E / / / 2 / / / 3 / / / 4 / / /

Standin' on a mountain lookin' down on a city

The way I feel is a doggone pity

Teardrops fallin' from the mountainside

Many times I've been here, many times I've cried

I used to be so happy when we were in love

High on a mountain of love

Verse 2:
Night after night I've been standin' here alone
Weepin' my heart out out at the crack of dawn
Prayin' that you're lonely and you come here too
Hopin' just by chance that I'll get a trip to you

I hope I'm gonna find you somewhere in love

High on a mountain of love

Bridge:

Mountain of love, mountain of love

You should be ashamed

You used to be a mountain of love

But you've just changed your name

Verse 3:

Way down below there's a half a million people

Somewhere there's a church with a big tall steeple

Inside a church there's an altar filled with flowers

Wedding bells are ringin' that should've been ours

That's why I'm so lonely, my dreams gone above

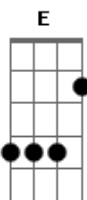

High on a mountain of love

(instrumental, same pattern as verses)

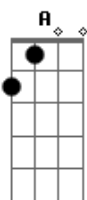

(repeat bridge)

(repeat verse 3, then repeat its last line and fade)
