

# Johnny Rivers - See You Then

tom:

Intro: G C G C

[Primeira Parte]

Part of a dream, still hurtin'

Hurtin' in my left eye

And I know I'm gonna have to make a last try

But if I'm back in California

Before the snow flies

I'll see you then

[Segunda Parte]

I got no plans outside from livin'

Livin' till tomorrow

I'm gonna run with every minute I can borrow

And when I pay back all my dues

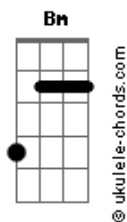

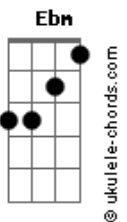

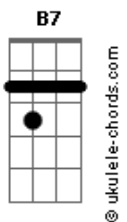

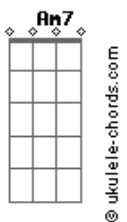

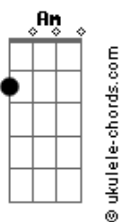

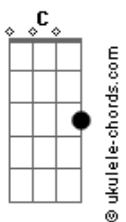

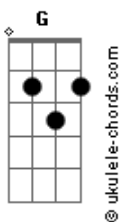

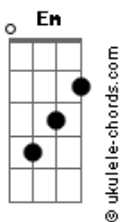

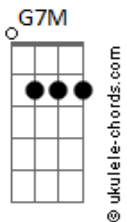

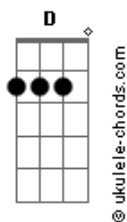

Lose the sorrow

I'll see you then

Oh, yes I'll see you then, babe

[Refrão]

## Acordes

'Cause I am lost

Yes I am lost

I'm lost, lost, forever

Beyond your help and tender kindness

I cannot see beyond my cherished blindness

[Terceira Parte]

You must admit

We really, really had a nice ride

There was mornin' after mornin'

Before love died

And if I never kiss you lips again

On this side

I'll see you then

Oh, yes I'll see you then, babe

I'll see you
