

Johnny Rivers - So Far Away

tom:

Intro: C F C F C Dm7 G

[Primeira Parte]

C
So far away

Doesn't anybody stay in one place any more?

It would be so fine to see your face at my door

And it doesn't help to know you're just time away

Long ago I reached for you and there you stood

Holding you again could only do me good

How I wish I could you're so far away

(You're so far away)

[Segunda Parte]

One more song about moving along the highway

Can't say much of anything that's new

If I could only work this life out my way

Ooh, I'd rather spend it being close to you

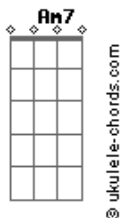

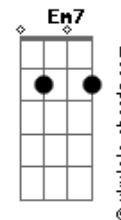

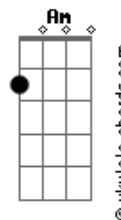

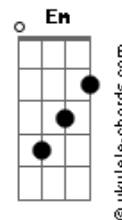

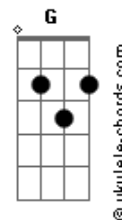

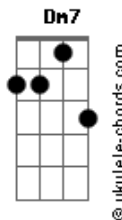

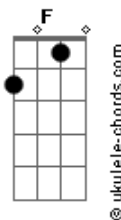

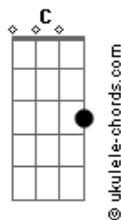

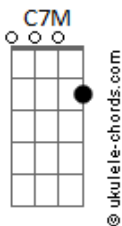

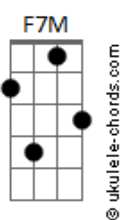

[Terceira Parte]

C
You're so far away

Doesn't anybody stay in one place any more?

Dm7 G C C7M

Acordes

It would be so fine to see your face at my door

It doesn't help to know you're so far away

Yeah, you're so far away (You're so far away)

[Quarta Parte]

Traveling around gets me down and lonely

Nothing else to do but close my mind

I sure hope the road don't come to own me

Now so many dreams I've yet to find (Yet to find)

[Refrão]

But you're so far away

Doesn't anybody stay in one place any more?

It would be so fine to see your face at my door

Oh, it doesn't help to know you're so far away

(You're so far away)

You're so far away (You're so far away)
