       C  F  G  C
```

[Primeira Parte]

```
C                           F
Are you the girl of my dreams?
 G        C     F G C
Are you for real?
C                            F
Sometimes I think I'll be alone forever
       G          C     F G F
It's just the way I feel
F                    G
Such a big world, with so much room to hide
F
How will I recognize you
         G
When you standing by my side?
```

[Refrão]

```
G          C                F
Won't you please, send me somebody
     G       C    F G
Somebody to love
G          C                F
Won't you please, send me somebody
     G       C    F G C
Somebody to love
```

[Segunda Parte]

```
C                           F
They said people can be like ships
 G            C       F G C
Passing through the night
C                     F
Just exactly what does it takes
 G        C      F G
Rust to get it right
F                       G               F
In the seamly endless game of   give and take
F
Spirits come together only to pray
```
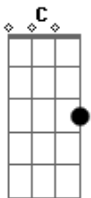

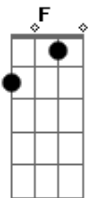

[Refrão]

```
G          C                F
Won't you please, send me somebody
     G       C    F G
Somebody to love
G          C                F
```

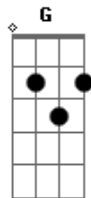

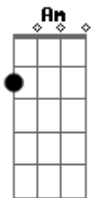

```
G                      C
Someone ever really love me?
G                      C
Someone ever really care?
G                        C
Someone really gets to know me?
G
Will they still be there?
```

[Refrão]

```
G          C                F
Won't you please, send me somebody
     G        C    F G
Somebody to love
G          C                F
Won't you send me somebody
     G        C     F G C
Somebody to love
```

[Quarta Parte]

```
C                                    F
I've been living this life of faith of coolness
       G              C     F G C
When no one gets too near
C                           F
I've been through this pain way too many times
    G             C     F G F
I just can't face the fear
F                       G               F
Let's get to have love and lost, so i've been told
F                       G
I got so much love to give, deep in my soul
```

[Refrão]

```
G          C                F
Won't you please, send me somebody
