

Joji - I Don't Wanna Waste My Time

Tom: **A**

Intro: **E D**

E
I don't wanna waste my time

A
If I can't be by your side

E
You really shouldn't think about that

A
If she can't see where you hide

E **A**
And we don't gotta talk about nothing nice

If you wanna come down

E **A**
And she don't gotta know about nothing

E
And she don't gotta know

E
If the stars collide

D
Will she relieve my soul?

E
And when we feel alive

D
We know she'll let me go

E
When you need my lips

D
I know you feel all cold

E **D**
But I promise you my heart is made of gold

E
I don't wanna waste my time

A
If I can't make you decide

E **A**
You are only on my mind when I need you

E
I don't need to know about

A
What you do when the sun goes down

E
Cuz I don't gotta know about nothing

A
Cuz I don't gotta know

E
Cuz I don't gotta know

A
Cuz I don't gotta know

E
If the stars collide

D
Will she relieve my soul?

E
And when we feel alive

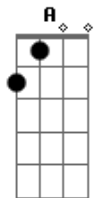

D
We know she'll let me go

E
When you need my lips

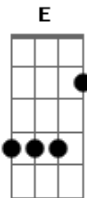

D
I know you feel my cold

E **D**
But I promise you my heart is made of gold
