 Lately, I can't help but think

That our roads might take us down different phases
 Don't wanna complicate the rhythm that we've got

But I'm speechless

When everything's so pure, can it be aimless?
 Painless?

D
 If you ever go, all the songs that we like
 Will sound like bittersweet lullabies

A
 Lost in the blue

They don't love me like you do

Those chills that I knew

They were nothing without you

And everyone else
 They don't matter now

You're the one I can't lose
 No one loves me like you do

D
 Since I met you

All the gloomy days just seem to shine a little more brightly
 Consider what we've got

'Cause I can never take you for granted

Is there another us on this whole planet?

Planet?

Those chills that I knew

They were nothing without you

And everyone else
 They don't matter now

You're the one I can't lose
 No one loves me like you do
 No one loves me like you do

I don't wanna seem foolish

When I'm jumping into this

You're all that I see
