

Joji - Love Us Again

tom:
 C
 So pretty
 Unconventionally pretty, yeah
 F7M
 Had to work twice as hard
 To never hurt your feelings
 C7M
 No entry
 Trespasser of the century
 F7M
 Trusting me is twice as hard
 I can help you if you let me
 C7M
 Either way, either way, either way, either way
 You would've been fine
 F7M
 Write a page, write a page, write a page, write a page
 I'ma write a long time
 C7M
 Please survive, live your life
 Mine are wet, yours are dry
 F7M
 Can you say, can you say, can you say, can you say

I'm not the right type
 C7M
 Oh really
 You don't notice that I'm ugly
 F7M
 They don't know
 I'm not afloat
 C7M
 Appreciate the silence
 Nothing here on my end
 F7M
 Please feel free to send a signal
 Please feel free to miss me a little
 C7M
 Either way, either way, either way, either way
 You would've been fine
 F7M
 Write a page, write a page, write a page, write a page
 I'ma write a long time
 C7M
 Please survive, live your life
 Mine are wet, yours are dry
 F7M
 Can you say, can you say, can you say, can you say
 I'm not the right type
