I'm a, I'm a
I'm a, I'm a, I'm a, I'm a
I'm a pretty boy livin' on the West side
Livin' so loud, you could never hear me cry, nah
See no tears run down my eyes (my eyes)
Oh, these hills, they burn so bright (burn so bright)
Oh, these hills, they bring me life (bring me life)
Oh, these hills, baby, oh, these hills, baby, mm

Poppin' blue pills and sippin' on finest, nah
No more fears and no more lies
I tell myself to sleep at night (sleep at night)

Handsome young man, never pull up on time
Lookin' in the mirror, lookin' good should be a crime, crime
All this pain I'll never let show
My real thoughts, you'll never know
Never know (no, no), never know, no (no, no)
Handsome young man, never worried 'bout time

If I don't lead, where will they go?
They follow my every move
Every move (every move)
Every move, every move (every move)
I'm a, I'm a
