So I'll just run

You bathe in your victory
 You blew out all my fumes
 And if I took on the planet
 Will I pay my dues?
 Your love was a mystery
 Yeah my love is a fool
 And I travel the country just to get to you

I fell for your magic, I tasted your skin
 And all this is tragic, at least I found the end
 I would miss your madness, you shed light on my sins
 And if we share in this sadness, then where have you been?

I know you're not alone, like you used to be
 ?Cause I'm not the one, like you used to think
 So you just run
 I know that i'm stuck, in this misery.

I know you're not alone, like you used to be
 ?Cause I'm not the one, like you used to think
 So you just run
 I know that i'm stuck, in this misery.
 Guess I'm not enough, like you used to think

Guess I'm not enough, like you used to think
 So I'll just run
 And I travel the country
 And I travel the country just to
 I know you're not alone
 I know you're not alone
 I know you're not alone
