

Joji - Run

tom:
A
Em Gbm6 G
Am

Am Em
I fell for your magic, I tasted your skin Gbm6 G Am
And all this is tragic, at least I found the end
I would miss your madness, you shed light on my sins
Em Gbm6 G
And if we share in this sadness, then where have you been?

Am
I know you're not alone, like you used to be Am
?Cause I'm not the one, like you used to think
Em Gbm6 G
So you just run
Am
I know that i'm stuck, in this misery.

Guess I'm not enough, like you used to think

Em Gbm6 G So I'll just run You bathe in your victory You blew out all my fumes And if I took on the planet Will I pay my dues? Your love was a mystery Yeah my love is a fool And I travel the country just to get to you Am I know you're not alone, like you used to be Am ?Cause I'm not the one, like you used to think Em Gbm6 G So you just run I know that i'm stuck, in this misery. Guess I'm not enough, like you used to think Em Gbm6 G So I'll just run And I travel the country And I travel the country just to I know you're not alone I know you?re not alone

I know you're not alone
