

Jojo - Disaster

Tom: G
Intro: 2x:

Em C G D
Trying not to pretend that you wont happen again and again
like that
Em C G D
Never thought it would end, but you got into my head and my
head like that
Em C G
You made me happy baby, but love was crazy so amazing
D Em
But it's changing, rearranging
C G D
I don't think I can take anymore

Refrão:
C G
Cuz the walls burned up when our love fell down
Em D
And it turned into whatever now were saying never
C G
Feel the fire cuz it's all around
Em D
And it's burning for forever and always
C G
We gotta let it go be on our way
Em D
Look for another day, cuz it ain't the same my baby
C G
Watch it all fall to the ground
Em D
No happy ever after, just disaster

(C)

Em C G
Didn't want it this way, I only wanted to say
D
Is I loved you right
Em C G
Now you're walking away, and leaving me here to stay
D

So foolish of me to wait for you
Em C
To realize all the things I gave you

Made you change you, your dreams caved too
Em C
When I met you, now forget you
G D
Don't want anymore

Refrão:
C G
Cuz the walls burned up when our love fell down
Em D
And it turned into whatever now were saying never
C G
Feel the fire cuz it's all around

We gotta let it go be on our way
Em D
Look for another day, cuz it ain't the same my baby
C G
Watch it all fall to the ground
Em D
No happy ever after, just disaster

Ponte:
Em C G
You shot the bullet you shot the bullet that killed me
D
Not feeling my heart beat, and now it's dying
Em C G
I, I've been through it, I, I've been through all the agony
D Em C
And now my eyes are, crying, trying no more crying,
G D
Lying it's just a game,
Em C G D
So disaster strikes and I'm alright cus my love's on his way
