

# Jojo - Fly Away

Tom: D

Got to fly away <sup>Bm G</sup>

Got to fly away <sup>Bm G</sup>

<sup>Bm G D A</sup>  
 Since I was a little girl I knew what I wanted  
<sup>Bm G D A</sup>  
 One day I would see the world and make my mark on it  
<sup>Bm G D A</sup>  
 Put in time, sacrificed never thought of thinking twice  
<sup>Bm G D A</sup>  
 Since I was a little girl I dreamed

<sup>A G</sup>  
 Now I'm standing with you in this terminal

<sup>Bm G A</sup>  
 With a ticket so far from your love

(refrão)

<sup>D</sup>  
 Can I have one more kiss, one more touch

<sup>A Bm</sup>  
 I just can't get enough of you

<sup>G D A</sup>  
 But I'm in a rush I got to fly away

<sup>D A</sup>  
 Planes waiting up for me right at gate twenty-three

<sup>Bm G</sup>  
 There's a doorway to my dreams

<sup>D A</sup>  
 I could go or I could stay

<sup>Bm G D Bm G A</sup>  
 Should I change my life or miss my flight?

<sup>Bm G D A</sup>  
 My alarm clock in the morning said you got to go now

<sup>Bm G D A</sup>  
 The breakfast you were calling and my heart just broke down

<sup>Bm G D</sup>  
 Cause tomorrow we will be waking up separately

<sup>Bm G D</sup>  
 Wish I never heard that clock ring

<sup>A G</sup>  
 See I don't want to win if my hearts got to lose  
 (Don't want to win, don't want to lose)

<sup>Bm G A</sup>  
 So how in the world do I choose?

(refrão)

<sup>D</sup>  
 I just need one more kiss, one more touch

<sup>A Bm</sup>  
 I just can't get enough of you

<sup>G D A</sup>  
 But I'm in a rush I got to fly away

<sup>D A</sup>  
 Planes waiting up for me right at gate twenty-three

<sup>Bm G</sup>  
 There's a doorway to my dreams

<sup>D A</sup>  
 I could go or I could stay

<sup>Bm G D Bm G A</sup>  
 Should I change my life or miss my flight?  
 (Change my life or miss my flight?)

(bridge)

<sup>Bm G</sup>  
 How can you measure the promise of love

<sup>D A</sup>  
 When it's weighing against a chance that comes once

<sup>Bm G</sup>  
 How can I leave when I know he's the one

<sup>D A</sup>  
 When the dust settles he might not be here

<sup>A G</sup>  
 And I'm standing with you in this terminal

<sup>Bm G A</sup>  
 Crying my eyes out in tears

<sup>D</sup>  
 I just need one more kiss, one more touch

<sup>A Bm</sup>  
 I just can't get enough of you

<sup>G D A</sup>  
 But I'm in a rush I got to fly away

<sup>D A</sup>  
 Planes waiting up for me right at gate twenty-three

<sup>Bm G</sup>  
 There's a doorway to my dreams

<sup>D A</sup>  
 I could go or I could stay

<sup>Bm G D Bm G A</sup>  
 Should I change my life or miss my flight?

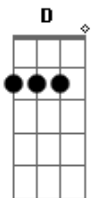

<sup>Bm G D Bm G A</sup>  
 Should I change my life or miss my flight?  
 What do I do? (change my life or miss my flight?)

<sup>Bm G</sup>  
 Fly away, MmmMmm

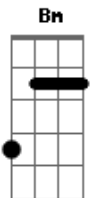

<sup>Bm G</sup>  
 Got to fly away

<sup>Bm G</sup>  
 I got to fly away
