Dm Fuck apologies Am

I would say I'm sorry if I really meant it Am

I'm not perfect, I got pride Am

That's not what it is this time Am

So fuck apologies Am

I would say I'm sorry if I really meant it Am

If I, if I, if I really meant it Am

[Wiz Khalifa]

Dm C F Am

Okay, uh, no apologizing

Ain't no way to take the things you did back or disguise it

Always wonder what I'm doing but that's TMI

Don't know what you got until it's gone, now you realize it

When I wasn't playing smart now I'm being wise

Finally I'm moving on and I don't need your lies

And it wasn't even tough cause I can see the signs

Now you're stuck, call an Uber up if you need a ride

[Refrão]

Dm What you want from me? Am

I would say I'm sorry if I really meant it Am

(I don't mean it baby) Am

Fuck apologies Am

I would say I'm sorry if I really meant it Am

I'm not perfect, I got pride Am

That's not what it is this time Am

So fuck apologies Am

I would say I'm sorry if I really meant it Am

If I, if I, if I really meant it Am

I can't help that you, Am

feel the way you do Am

Try not to get confused Am

cause this time I don't care Am

[Pre-Refrão]

Dm C F Am

And honestly I was just about to pick up the phone Am

And then I realized that I didn't do nothing wrong Am

Didn't do nothing wrong, ay Am

[Refrão]

Dm What you want from me? Am

I would say I'm sorry if I really meant it Am

(I would have said sorry a long time ago...) Am

Dm C F Am Dm

If I, if I, if I really meant it Am
