

# Jojo - How To Touch a Girl

Tom: Gb

One, two, three, four

(intro) Gb Gbm7 B Bm

Mmmmmmmmmmm

I think I could like you

Already do

Feelings can grow but

They can go away too

You're taking my hand

Looking into my eyes

Don't be in a rush too

Give me tonight

I feel something happening

Could this be a spark?

To satisfy me baby

Gotta satisfy my heart

Do you know how to touch a girl?

If you want me so much

First I have to know

Are you thoughtful and kind?

Do you care what's on my mind?

Or am I just for show?

You'll go far in this world

If you know how to touch a girl

(Do you know how to touch, know how to touch a girl?)

Mmmmmmmmmmm

(Do you know how to touch, know how to touch a girl?)

( Gb Gbm7 B Bm )

I think I could like you

But I keep holding back

Cuz I can't seem to tell

If you're fiction or fact

Show me you can laugh

Show me you can cry

Show me who you really are

Deep down inside

Do you feel something happening

Gb7

Could this be for real?

I don't know right now

But tonight we'll reveal

Do you know how to touch a girl?

If you want me so much

First I have to know

Are you thoughtful and kind?

Do you care what's on my mind?

Or am I just for show?

You'll go far in this world

If you know how to touch a girl

(Do you know how to touch, know how to touch a girl?)

Mmmmmmmmmmm

(Do you know how to touch, know how to touch a girl?)

Bring me some flowers

Conversation for hours

To see if we really connect

And maybe if we do

Ohhhh

I'll be giving all my love to you

Ohhhhhhh

Do you know how to touch a girl?

If you want me so much

First I have to know

Are you thoughtful and kind?

Do you care what's on my mind?

Or am I just for show?

You'll go far in this world

If you know how to touch a girl

(Do you know how to touch, know how to touch a girl?)

Yeahhhhhhh

(Do you know how to touch, know how to touch a girl?)

You'll go far in this world

If you know how to touch a girl
