

# Jojo - Jumping Trains

Tom: Gb

Gb  
 We keep chugging along  
 Bbm  
 On a road to nowhere  
 Nobody's out there  
 Ebm  
 I'm not even hearing anymore  
 Bm  
 You're kinda boring me  
 Gb  
 You got stuck in  
 your comfort zone  
 Bbm  
 And it makes me so uncomfortable  
 Ebm  
 And it's not my fault  
 That you're glued  
 Bm  
 to your seat I'm sorry

Refrão:

Gb  
 Our love fell off the track  
 Bbm  
 Cause you just hold me back  
 Ebm  
 Baby your heart is  
 Bm  
 just too strange  
 Gb  
 I can't just be your girl  
 Bbm  
 I need to see the world  
 Ebm  
 If that's something  
 Bm  
 you can't arrange  
 Then I'll be jumping trains  
 Gb  
 (I'll be jumping  
 I'll be jumping)  
 Bbm  
 (I'll be jumping  
 I'll be jumping)  
 Ebm Bm  
 I'll be jumping trains  
 Gb  
 The last time we went out  
 Bbm  
 I remember snowflakes  
 on the ground  
 Ebm  
 But now I look outside  
 On the sunny fields  
 Bm  
 of green (ohh)  
 Gb  
 And I hope for the feeling  
 That I once had with  
 Bbm

the wind in my hair

And my life on track  
 Ebm  
 Getting care with you  
 I just need the  
 Bm  
 chance to run away

Chorus 2:

Gb  
 Our love fell off the track  
 Bbm  
 Cause you just hold me back  
 Ebm  
 Baby your heart is  
 Bm  
 just too strange  
 Gb  
 I can't just be your girl  
 Bbm  
 I need to see the world  
 Ebm  
 If that's something  
 Bm  
 you can't arrange  
 Then I'll be jumping trains

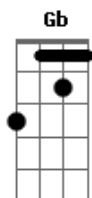

Ponte:

Abm  
 Mr. Conductor can you  
 Ebm Db  
 Stop this train right now  
 Abm  
 Cause if I stay here with him  
 Ebm Db  
 My life will just slow down  
 B  
 And a girl like me I  
 Bbm  
 just need to be free  
 Gb  
 (I'll be jumping  
 I'll be jumping)  
 (I'll be jumping  
 I'll be jumping)  
 I'll be jumping trains

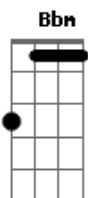

(Refrão):

Gb  
 I love the lonely track  
 Now I'm not looking back  
 Baby your heart is  
 Bm  
 just too strange  
 Gb  
 I can't just be your girl  
 Bbm  
 I need to see the world  
 Ebm  
 If that's something  
 Bm  
 you can't arrange  
 Gb Bbm Ebm Bm  
 Then I'll be jumping trains  
 Gb Bbm Ebm Bm  
 I'll be jumping (yeah) trains
