

Jojo - Keep Forgetting (To Forget About You)

Tom: G

(intro) Em C G D

Em
Thinking back when we got together
C
In our hearts we were saying forever
G D
So in love, boy we were so in love,
Em
Jealousy wasn't what we wanted, we broke up
C
And when you looked into my eyes I should of spoke up
G D
And held you near, then I wouldn't be alone
And here it comes again

(refrão)

Em C
Cause I remember every word that you said
G
It all just keeps spinning around in my head
D
But it don't matter what I try to do
Em
I keep on forgetting to forget about you
C
And I don't want to think about you baby so much
G
All the things we did and the way that we touched
D
Just when I think about someone new
Em
I keep on forgetting to forget about you
C
Forget about you, forget about
G
Watch me turn around and forget, forget about you
D
Forget about me and you

(verse 2)

Em
I would be crazy to say that we were perfect
C
And sometimes I was wondering if it was worth it
G D
But now I see, how could you run from me?
Em
And everytime I drive by your apartment
C
I get this overwhelming urge to walk in
G D
And see your face and to be in that place all over again

(refrão)

Em C
Cause I remember every word that you said
G

It all just keeps spinning around in my head
D
But it don't matter what I try to do
Em
I keep on forgetting to forget about you
C
And I don't want to think about you baby so much
G
All the things we did and the way that we touched
D
Just when I think about someone new
Em
I keep on forgetting to forget about you
C
Forget about you, forget about
G
Watch me turn around and forget, forget about you
D
Forget about me and you
(bridge)

Am C
The way we laughed, the way we kissed
G
I never thought that I would miss
F
All the things I used to complain about you
Am C
The football games, the hometown friends
G
I'm just glad to see an end
F
But tell me why I feel so alone without you?
Em C G D
Ooo oh, Oooh, Yeah,
Here it comes again

(refrão)

Em C
Cause I remember every word that you said
G
It all just keeps spinning around in my head
D
But it don't matter what I try to do
Em
I keep on forgetting to forget about you
C
And I don't want to think about you baby so much
G
All the things we did and the way that we touched
D
Just when I think about someone new
Em
I keep on forgetting to forget about you
C
Forget about you, forget about
G
Watch me turn around and forget, forget about you
D
Forget about me and you
