

# Jome - Snow

Tom: D

A Gbm  
 What if we lived in the same town?  
 A Gbm  
 What would have happened then?  
 A Gbm  
 I picture you in your winter gloves  
 A Gbm  
 Wishing that I never left  
 A Gbm  
 Throat closing, waving from across the street  
 A D  
 Heartbroken, you still got a piece of me

A Gbm  
 I tiptoed alone  
 A D  
 To your wooden room  
 A Gbm  
 I felt you changing  
 A Bm  
 In an afternoon  
 A Gbm  
 We left it open

Kept the pages clean  
 A D  
 I didn't mean to let you go  
 A Gbm  
 I still see you in the snow

A Gbm  
 I held my breath on the river  
 A Gbm  
 We were supposed to be good  
 A Gbm  
 You were afraid of the moonlight  
 A Gbm  
 I walked you home through the woods  
 A Gbm  
 My suitcase was heavier than I thought it'd be  
 A Gbm  
 I looked back and caught you crying

A Gbm  
 I tiptoed alone  
 A D  
 To your wooden room  
 A Gbm  
 I felt you changing  
 A Bm  
 In an afternoon  
 A Gbm  
 We left it open

Kept the pages clean  
 A D  
 I didn't mean to let you go  
 A Gbm  
 I still see you in the snow

A Gbm  
 I still see you in the snow  
 A Gbm  
 I still see you in the snow

A Gbm  
 From this side  
 A Gbm  
 I can hold it better now  
 A  
 You were wrong  
 A D  
 You were right  
 A  
 From this side  
 A Gbm  
 I can hold it better now
