

# Jon Bellion - Human

Tom: Gb

(com acordes na forma de E )

Capostrate na 2ª casa

I always fear that I'm not living right  
 So I feel guilty when I go to church  
 The pastor tells me I've been saved, I'm fine  
 Then please explain to me why my chest still hurts

I spent four thousand on the Mart Mcflys  
 Yet I'm still petrified of going broke  
 There's someone gorgeous in my bed tonight  
 Yet I'm still petrified that I'll die alone.

I'm just so sick of being  
 Human

I'm just so sick of being  
 Human

I'm just so sick of being  
 Human

I'm just so sick of being

My mother calls I have no time to talk  
 But I can find the time to drink and smoke  
 Took 15 hits till I can barely walk

I threw up on the lawn, I can't find my phone

I got no nuts to tell the one I love  
 That she's the reason that I wrote this song  
 And that's some coward sht I know it's us  
 But Lauren call me when you hear this on

I'm just so sick of being  
 Human

I'm just so sick of being  
 Human

I'm just so sick of being  
 Human

I'm just so sick of being

See I got gps on my phone

And I can follow it to get home

If my location's never unknown

Then tell me why I still feel lost

Tell me why I still feel lost

Tell me why I still feel lost

Tell me why I still feel

(Human, human, human, human)
