Jon Bellion - I Robot

Tom: C F Bm I was a human, breathing and thinking Em Eating and drinking, philosophizing F I was a human, before you killed me G And ripped my heart out, I knew what love was Now when they ask me, I just reply slow And sound like an iPhone Α I do not know love, I am a robot Bm (Ba ba ba ba bam bada bum) I do not know love, I am a robot G Bm (Ba ba ba ba bam bada bum) F I used to know love Bm Cause I had a fire, passion and desire G Now all I require are circuits and wires F Bm Inside was an ocean of soul and emotion G Then you cut me open, now all that I know is F Bm I am a robot, thoughtless and empty Em Don't know who sent me, don't know who made me F Bm Electric robot, everything's gray now G Em

Acordes

Numb to the pain now, I knew what love was Now when they ask me, I just reply slow And sound like an iPhone I do not know love, I am a robot G Bm (Ba ba ba ba bam bada bum) I do not know love, I am a robot Bm G (Ba ba ba ba bam bada bum) I used to know love Bm Cause I had a fire, passion and desire G Em Now all I require are circuits and wires F Inside was an ocean of soul and emotion G Then you cut me open, now all that I know is

F I am a robot Fm I am a robot I used to know love Cause I had a fire, passion and desire
