

Jon Bellion - Maybe IDK

Tom: A

Verso 1:

A Dbm
I wonder why I get paranoid when I'm high
I wonder why I say yes to everyone in my life Gbm
I wonder why I can't run that fast in my dreams D
I wonder why I feel short when I know my money's tall Dbm
I wonder why I miss everyone and I still don't call Gbm
I wonder why I can't run that fast in my dreams D

Pré-Refrão:

A
Although I guess if I knew tomorrow
I guess I wouldn't need faith
Dbm
I guess if I never fell, I guess I wouldn't need grace
Gbm
I guess if I knew His plans, I guess He wouldn't be God D

Refrão:

A
So maybe I don't know
Dbm
Maybe I don't know
Gbm
Maybe I don't know
D
Maybe I don't know
A
But maybe that's okay
Dbm
Maybe that's okay
Gbm
Maybe that's okay
D
Maybe I don't know, Maybe I don't know
A
But maybe that's okay

Verso 2:

A Dbm
I wonder why I feel emptiness and I sing these blues
I wonder why I feel hopelessness when I watch the news Gbm
I wonder why I can't find my voice in my dreams D
I wonder why they say hate your brother and hide your gold Dbm
I wonder why we all fear the things that we might not know Gbm

I wonder why I can't find my voice in my dreams D

Pré-Refrão:

Although I guess if I knew tomorrow
I guess I wouldn't need faith
Dbm
I guess if I never fell, I guess I wouldn't need grace
