

Jon Bon Jovi - Never Say Die

tom:

Intro:

^A
As we stood there older than men
^D
And younger than the boys (that's right)
^A
We were as still as the wind
^D
That blows on a hot August night

^A
And you were lonesome
As a jukebox
^D
But deadly just the same
^A
I could be as gentle as a newborn
^D
Then spit into the eye of a hurricane

^E
And we knew how to laugh
^D ^A
And we knew how to cry
^E
Yeah, we sure knew how to live
^D ^E
But we don't ever

[Intro]
Never say die
Never say die

^A
I guess you'd say we had a pact
^D ^D
These words we knew so well (that's right)
^A
Still they remained unspoken
^D ^E
And we'd take them to the fiery
Gates of hell

^E
Once I was afraid of love
^D
But when it's your brother
^A
Those things change
^E
'Cause love is just another word
For trust
^D ^E
So hear me when I say

^A
Never say die
^D
Never say no

^A
You got to look them in the eye
^D
And don't let go
^E
When it's your own blood you'll bleed
^D ^A
And your own tears you'll cry
^E
When you're brought up to believe
^D ^E
That it's the strong who survive
Intro: Never say die

Solo: igual à base da intro

^E
Yeah, and we could run like lightning
^D ^A
Through the pouring rain
^E
And we'll be standing like a soldier
^D ^E ^A
Who comes marching home again

^A ^{Bm} ^D 2x

^A
They ask what it is that I want written
^D
On the gravestone where I'll lie
^A
Tell them it's just my bones
That died there
^D
So save the tears they'll cry

^E
My spirit is still riding
^D ^A
Somewhere in this night
^E
When it's these three words that come to me
^D ^E
As I kiss this world goodbye

^A
Never say die
^D
Never say no
^A
You got to look them in the eye
^D
And don't let go
^E
When it's your own blood you'll bleed
^D ^A
And your own tears you'll cry
^E
When you're brought up to believe
^D ^E
That it's the strong who survive
