

# Jon Foreman - Dreamer

Tom: C

**Dm**  
 Last night I had a dream  
 That if I came under moonlight  
 You and I will always touch

**Em A**  
 But the morning came too soon  
 I woke up without you

**Bm G D A**  
 And if you want me  
 Why do you look the other way?  
 If you need me  
 Why do you say the things you say?  
 If you love me  
 Why do we play the games we play?  
**Am** I in love with the dreamer?  
 Or am I just in love with the dream?

**Dm**  
 When I dream, girl  
 You're the dream that might come true  
 When you dream girl  
 Do you even know it's you?

**Em A**  
 Dreams are lies in skin  
 But dreams can't tuck me in

refrão

**Dm Bb**  
 Oh **F A**

I believe it  
**Dm Bb**  
 Hey

**F A**  
 I believe it's so soon  
**Dm Bb**  
 Hey

**F A**  
 When you leave me,  
**Dm Bb**  
 You leave me with a hope

**F A Dm Bb**  
 That my dream with you might come true  
**Dm Bb**  
 True, true,  
**Em A**  
 true, true

So if you love me  
 Why do you look the other way?  
 If you need me  
 Why do you say the things you say?  
 If you love me  
 Why would we play the games we play?

**Am** I in love with a dreamer?  
 Or am I just in love,  
**Am** I in love with the dreamer?  
 Or am I just in love,  
**Am** I in love with the dreamer?  
 I'm not sure I'm still in love with the dream.
