

Jon Foreman - Learning How To Die

Tom: G

(com acordes na forma de D)

Capo: 5ª casa

Tabbed by: Rose

Email:

Tuning: EADGBE

Capo: 5th fret (tab relative to capo)

Jon has played this song a few times live, and it's really simple and beautiful. Enjoy.

D: x00230
 D2: x00033
 D: 300233
 Em: 022030
 Emsus: 022033
 Bm: 024400
 Bm: 324400
 C: 032030
 Intro: D D2 Em A2

Verse 1/2:

D D2 Em D (repeat intro)
 I'm gonna miss you, I'm gonna miss you when you're gone

D D2 Em D (repeat intro)
 She says I love you, I'm gonna miss hearing your songs

Chorus 2:

Bm Bm Bm
 I said "Please, don't talk about the end

Bm Bm Bm Bm
 Don't talk about how every living thing goes away"

D D D2 D
 She said "Friend, all along thought I was learning how to take

D2 D D Emsus D
 How to bend, not how to break, how to live, not how to cry

C D
 But really I've been learning how to die, I've been learning how to die"

Verse 2:

Hey everyone, I've got no where to go
 The grave is lazy, He takes our bodies slow

Chorus 2:

And I said "Please, don't talk about the end
 don't talk about how every living thing goes away"
 I said "Friend, all along thought I was learning how to take
 How to bend, not how to break, how to live, not how to cry
 But really I've been learning how to die, I've been learning
 how to die,
 die, die
 I've been learning how to die
 I've been learning how to die"
