

Jon Foreman - The Cure For Pain

Tom: B

E B Gb Abm

I'm not sure why it always goes downhill
Why broken cisterns never could stay filled
I've spent ten years singing gravity away
But the water keeps on falling from the sky

E B Gb Abm

And here tonight while the stars are blacking out
With every hope and dream I've ever had in doubt
I've spent ten years trying to sing these doubts away
But the water keeps on falling from my eyes

E B Gb Abm

And heaven knows, heaven knows

E B Gb Gb4

I tried to find a cure for the pain
Oh my lord! to suffer like you do

E B Gb E

It would be a lie to run away

E B Gb Abm

So blood is fire pulsing through our veins
We're either riders or fools behind the reigns
I've spent ten years trying to sing it all away

But the water keeps on falling from my tries

E B Gb Abm

And heaven knows, heaven knows

E B Gb Gb4

I tried to find a cure for the pain
Oh my lord! to suffer like you do

E B Gb E

It would be a lie to run away
