

Jon McLaughlin - Anthem for American Teenagers

Tom: Eb
Intro: Ab % F F Fm -> 2X

Pieces that are showing lead to the unknowing
Pieces of our lives taking up our time
Was it always how it is? Did history insist
that everything we'd need would be everything we see?

(Chorus)

You'll never lose
Never lose before we go, we all should know that
you'll never lose
Never lose before we go, we all should know that
Carousel's around me and no one here has found me
I don't think you saw the parts that only are
I'm leaning on my instincts guide me to the meaning

Everything you said filling up my head

(repeat chorus)

When memories only hurt you and they're taking over
Let me on the inside I'll be a shoulder
Memories only hurt you they're taking over
Let me on the inside I'll be a shoulder
Now it's like I al - ways saw it

Let me on the inside I'll be a shoulder
memories only hurt you they're taking over
Let me on the inside I'll be a shoulder
Memories only hurt you they're taking over

(repeat chorus)
