

Jon McLaughlin - Anthem for American Teenagers

Tom: Eb
Intro: Ab % F F Fm -> 2X

Pieces that are showing lead to the unknowing
 Pieces of our lives taking up our time
 Was it always how it is? Did history insist
 that everything we'd need would be everything we see?

(Chorus)

You'll never lose
 Never lose before we go, we all should know that
 you'll never lose
 Never lose before we go, we all should know that
 Carousel's around me and no one here has found me
 I don't think you saw the parts that only are
 I'm leaning on my instincts guide me to the meaning

Everything you said filling up my head

(repeat chorus)

When memories only hurt you and they're taking over
 Let me on the inside I'll be a shoulder
 Memories only hurt you they're taking over
 Let me on the inside I'll be a shoulder
 Now it's like I al - ways saw it

Let me on the inside I'll be a shoulder
 memories only hurt you they're taking over
 Let me on the inside I'll be a shoulder
 Memories only hurt you they're taking over

(repeat chorus)
