

Jon Pardi - Head Over Boots

Tom: G

I wanna sweep you off your feet tonight

I wanna love you and hold you tight

Spin you around on some old dance floor

Act like we never met before for fun,

?Cause you're the one I want, you're the one I need

Baby, if I was a king, ah, you would be my queen

You're the rock in my roll

You're good for my soul, it's true

I'm head over boots for you

The way you sparkle like a diamond ring

Maybe one day we can make it a thing

Test time and grow old together

Rock in our chairs and talk about the weather, yeah

So, bring it on in for that angel kiss

Put that feel good on my lips,

?Cause you're the one I want, you're the one I need

Baby, if I was a king, ah, you would be my queen

Em

You're the rock in my roll

You're good for my soul, it's true

I'm head over boots for you

Yeah, I'm here to pick you up

And I hope I don't let you down, no,

?cause you're the one I want, you're the one I need

Baby, if I was a king, ah, you would be my queen

You're the rock in my roll

You're good for my soul, it's true

I'm head over boots for you

You're the one I want, you're the one I need

Baby, if I was a king, ah, you would be my queen

You're the rock in my roll

You're good for my soul, it's true

I'm head over boots for you

I wanna sweep you off your feet tonight

I wanna love you and hold you tight

Spin you around on some old dance floor....
