Intro: A E D7M

I'm lost inside your heart
But you couldn't even find me
Where you hardly ever go
That's what I've come to know
I'm lost inside your heart

I'm lost inside your heart
I'm sheltered by a feeling
And what no one else can see
That's what you gave to me
I'm lost inside your heart

(Abm Db Em)

And here
I'll stay until forever said and done
My dream came true the day I met you
You're everything to me
Our love is all that I believe in
No matter where you are, oh no

Close your eyes

And I'll be there somewhere
Lost inside your heart

Nothing else matters my love
I don't care, don't you worry about tomorrow
When it gets dark
I'll follow your star, follow your star

Na na na na na na na
Na na na na na
Our love is all that I believe in

And here
I'll stay until forever said and done

My dream came true the day I met you
You're everything to me
Our love is all that I believe in
No matter where you are, oh no

Close your eyes
And I'll be there somewhere
Lost inside your heart
