

# Jon Walker - Side Of Me

Tom: G

Sorry if i let you down  
 I'm tired of causing a commotion  
 This time is not only fine with me  
 It's a solution to the problem  
  
 I'm sorry if i let you down  
 I couldn't just tell it like i saw it  
 It took a while for things to look clear to me

I'm sorry if i let you down  
 This was no simple resolution  
 I hope that comes a day you can see  
 This was meant to happen  
 I'm just a human being  
 But i'm living in a dream  
 Nothing is really what it seems  
 This is just a side of me

 ( Em Am G C )

I'm sorry if i let you down  
 I'm doing whatever makes me happy

Why would you let the past be history

I'm sorry if i let you down  
 This was no simple resolution  
 I hope that comes a day you can see

This was meant to happen  
 I'm just a human being  
 But i'm living in a dream  
 Nothing is really what it seems

And this is just a side of me  
 I'm just a human being  
 But i'm living in a dream  
 Nothing is really what it seems  
 And this is just a side of me

Sorry if i let you down  
 I'm tired of causing a commotion  
 This time is not only fine with me  
 It's a solution to the problem
