

Jona Selle - On The Road Again

Tom: E
Intro: E B Dbm (2x)

I sit in a train to another place far away from you
It happened so much in the past days I don't know what is true
How can you call me your darling and next time you shout on me
I know it's time for a new starting so we both can again be free

Cities and woods are flying
I leave the world behind
People are talking and talking
But I don't mind

(refrão)

Cause I'm on the road again
I'm on the ground again
I'm on the road again
I'm on the ground again
and I know I know I know I know
I'm gonna make it yeah

(intro)

I feared If I'd be okay when I leave you and this time has

come
So I drop the past and go on cause life is not waiting
I don't see the end of the road but it's okay cause I'm alright
This summer day is not old and I will travel into the night
Cities and woods are flying
I leave the world behind
People are talking and talking
But I don't mind

(refrão)

Cause I'm on the road again
Stand on the ground again
I'm on the road again
I'm on the ground again
and I know I know I know I know
I'm gonna make it yeah

Cities and woods are flying
I leave the world behind
People are talking and talking
But I don't mind
