

Jonas Blue - Polaroid

Tom: Bb

(forma dos acordes no tom de A)

Capostrate na 1ª casa

Intro: Bm D Gbm A E

Let me tell you how it happened
 I wasn't looking for someone that night
 No, I was never a believer
 That you could fall in love at the first sight
 But all of a sudden
 (We loved and got lost in the moment)
 All of a sudden
 (She's gone in the flash of a light)
 I never was looking, hmm
 I'll be looking for the rest of my life

We took a Polaroid
 You signed your name upon it
 I put it in my wallet
 Hoping I'd see your face again
 We took a Polaroid
 Captured the look in your eyes
 It's only a matter of time
 Before it starts fading
 (Bm D Gbm A E)

Was it my imagination?
 I could've sworn I saw someone like you
 A thousand people at the station
 And in a second, you slipped out of view
 Then all of a sudden
 (I loved and got lost in the moment)
 All of a sudden
 (She's gone in the blink of an eye)
 I never was looking, hmm

I'll be looking for the rest of my life
 We took a Polaroid
 You signed your name upon it
 I put it in my wallet
 Hoping I'd see your face again
 We took a Polaroid
 Captured the look in your eyes
 It's only a matter of time
 Before it starts fading
 We were dancing without moving
 All my friends were leaving me behind
 I didn't wanna catch a feeling
 But there was something in that flashing light
 Then all of a sudden
 (I loved and got lost in the moment)
 All of a sudden
 (She's gone in the blink of an eye)
 I never was looking, hmm
 I'll be looking for the rest of my life
 We took a Polaroid
 You signed your name upon it
 I put it in my wallet
 Hoping I'd see your face again
 We took a Polaroid
 Captured the look in your eyes
 It's only a matter of time
 Before it starts fading
 We took a Polaroid
 You signed your name upon it
 I put it in my wallet
 Hoping I'd see your face again
