

# Jonas Brothers - Cool

Tom: G

[Refrão]

I'm feeling so cool  
 I'm top to the bottom just cool  
 And every little thing that I do  
 Dammit I'm feelin' so cool, yeah

[Primeira Parte]

Woke up feelin' like a new James Dean  
 I comb my hair like an old school sheen  
 I'm feelin' high like a late night summer of last year  
 Standin' there with the red dress on ya  
 A Killer Queen like a young Jane Fonda  
 Is it me or am I just havin' a good year?

[Refrão]

Lately I've been feelin' so cool (Cool)  
 Top to the bottom just cool (Cool)  
 Every little thing that I do (Do)  
 Dammit I'm feelin' so cool-oo-oo-oo-oo-oo  
 It's like ooh (Ooh)  
 Maybe I should bottle my moves (Moves)  
 Sell it for a dollar or two (Two)  
 Damn it I'm feeling so cool-oo-oo-oo-oo-oo (Cool)

[Segunda Parte]

Must've done something right 'cause all these  
 Lights are beaming and they look like palm trees

And every time that song comes on it's about me  
 Oh, I feel like Post Malone when I get home  
 Sittin' that way like it's Game of Thrones  
 And now that we've made it, how complicated was last year?
