

Jonas Brothers - Every Single Time

Tom: G
Intro: Bm A G A

Mr. Misdemeanor

Call me up and say you're needin' my love
Now you say you're leaving, oh yeah
Like you never even needed my love

Then I don't even see you (0oh ooh, ooh ooh)
Not even for a weekend or a month
So much you left between us (0oh ooh, ooh ooh)
But you don't ever think about us (0oh)

Why do, why do, why do, why do I want you
Even though you make it hard and I don't want to?
And now I'm out here catching feelings like I want you
But all you ever do is look a-, look away

Every single time, I keep on coming back to you
You're always on my mind, it doesn't matter what I do, I do
Every single time, I keep on coming back to you
But keep me on the line, if loving you's a crime
Then I won't keep my love locked down for you
Every single time

Yeah, I remember when we met
Like it was yesterday in Amsterdam
(Smoke it up) We can walk through every season
Oh, every day, oh, every day
And I can't believe it now (I can't believe it)
You think, you think it's only physical (0h no, no)
No good at getting even

The way you play, the way you play

Why do, why do, why do, why do I want you
Even though you make it hard and I don't want to?
And now I'm out here catching feelings like I want you
But all you ever do is look a-, look away

Every single time, I keep on coming back to you (I keep on coming)
You're always on my mind (Always on my mind) it doesn't matter what I do, I do
Every single time, I keep on coming back to you (I keep on coming back)
But keep me on the line, if loving you's a crime
Then I won't keep my love locked down for you

Every single ti-i-ime, i-i-ime, i-i-ime, i-i-ime
I-i-ime, i-i-ime, love locked down for you

Because there's too much water under this bridge to go down like this
I never thought that we'd come this far to it all up and end like this

Every single time, I keep on coming back to you (I keep on coming back)
You're always on my mind (Always on my mind) it doesn't matter what I do, wooh
Every single time (Time) I keep on coming back to you (I keep on coming back)
But keep me on the line, if loving you's a crime
Then I won't keep my love locked down for you

Every single ti-i-ime, i-i-ime, i-i-ime
Every single ti-i-ime, i-i-ime, i-i-ime
Yeah every single time
