

# Jonas Brothers - Five More Minutes

tom:  
 Give me five more minutes  
 Baby, I'm not finished loving you  
 I don't wanna end it when we're only just beginning  
 Give me five more minutes  
 Aw yeah  
 Right now, you just look too good to me (mmm)  
 I cannot fathom letting you leave  
 You've got important places to be (mmm-mmm)  
 Just please, not yet  
 Please, not yet  
 Give me five more minutes (yeah)  
 Baby, I'm not finished loving you  
 I don't wanna end it when we're only just beginning  
 Give me five more minutes  
 Ooh yeah, ooh  
 Do you think you could just wait a while? (Mmm-mmm)  
 I think I could make it worth your while (mmm-mmm)

I know that bein' late ain't your style  
 But, please say, "Yes"  
 Please say, "yes"  
 Give me five more minutes (hey, yeah baby)  
 Baby, I'm not finished loving you  
 I don't wanna end it when we're only just beginning  
 Give me five more minutes (just five more)  
 Aw yeah  
 (Come on) ooh  
 Please say, "yes"  
 Please say, "yes"  
 Please say, "yes, yes, yes" (oh)  
 Please say, "yes"  
 Please say  
 Please say, "yes"  
 Give me five more minutes  
 Five more minutes holding you  
 Baby I'm not finished and we're only just beginning  
 Give me five more minutes
